Morning all, hope you are all feeling fab and ready to crack on with some learning today.

Just a heads up, for tomorrow's English lesson, I need you to have watched an episode of David Attenborough's Planet Earth.

Of course you can watch it tomorrow morning, or you could settle down with your family this evening and watch on BBC IPlayer...it's a cracker - but you might need to hide behind the sofa when those snakes go for the iguana!

English Desert Island planning Day 2

Firstly, watch this video from Ray Mears about building a shelter on the island.

How to make a dumper truck

You will need:

- 1 large cereal box
- 2 small cereal boxes
- Shoe box lid
- Thin strip of blue paper
- 4 bottle tops
- Red and yellow paint to decorate
- 4 round lids
- Scrunched up newspaper
- Grey paint
- Black paint
- Sticky tape

Method:

	1. Cut the small cereal box in half, lengthways.
	2. Stick it on top of the larger cereal box using sticky tape on one side only.
	3. Cut the second small cereal box in half, widthways and stick this on the other end of the larger cereal box, standing upright.
	4. Stick a shoebox lid on the highest part of the truck to make a roof.
	5. Stick a strip of blue paper just underneath the roof to make a window.
	6. Stick two bottle tops onto the lower front of the truck to make the headlights.
	7. Paint the truck red and yellow.
	8. Paint four round lids black. When they are dry, stick them

Here is an example.

You must include a list of what you need.

Once you have finished, why not go into your garden and try building a shelter there.

If it is raining, try building one in your house with cushions and duvets - but ask Mum and Dad first!!
