

Alverton School

The Woodland Nursery

Welcome to a new term at The Woodland nursery. You may have noticed a few changes to our setting! We are delighted with the work that has happened over the Summer and are excited to be working closely with the Woodland team. Over the next few weeks we will all be finding our feet and getting to know the children across the setting. We will be doing lots of getting to know you activities as well as ensuring that the children feel safe and secure within the setting-knowing all the adults who will be caring for them as well as learning the names of LOTS of new friends!

We are the Little Owls !

Your child will need a pair of named wellies everyday, ideally which can be left in the setting as we are out and about in our lovely gardens and woodland an awful lot. Equally, as the weather gets wetter and colder you may want to provide your child with their own set of waterproof trousers which can be left on their peg.

Please make sure EVERYTHING is named. We cannot guarantee that belongings or clothing will be returned without it. We'll do our best but appreciate all the help we can get!

If you have any queries or concerns we are happy to help. Please see a member of staff in the morning at drop off time if it is a quick query . If you feel you need longer, then please make an appointment for the end of the school day (3.30pm)
