Learn about a range of a tists, craftsn

Experiment and enjoys co

Experiment with differe

Be able to give opinions.

Begin to give reasons for choices.

Explore the impact of materials including pencils, paper, different paints,

Use a range of materials to design and make products using drawing,

Develop techniques of colour, pattern, texture, line, shape, form and

, remembered or imagined.

n and designers.

xtures and patterns.

variety of tools to spread paint.

- Design purposeful, functional and appealing products based on design
- Generate, model and communicate ideas through talking, drawing, templates and mock-ups.
- Describe what they are making, how it works and what
- Use a range of tools and equipment to complete practi al tasks.
- om and use a range of materials and com constr tion materials, textiles and ingredients. and evaluate existing products.
- out developing designs.
- Consider how the finished product could be improved.
- Build and improve structures and mechanisms.
- Explore and use mechanisms in their products.
- Understand where food comes from and prepare healthy dishes

Modern Languages (KS1) (Not required at Key Stage 1)

nd symmetry. From Key Stage 2 objectives

- Listen and join in with spoken language.
- Explore patterns and sounds through songs and rhymes.
- Answer simple questions.
- Appreciate stories, songs, poems and rhymes.
- Broaden vocabulary.

Geography (KS2)

- countries and capitals of the UK and the world's
- s and differences through comparing Understand geographical sir the human and physical geography of the local area to a non-European

Computing (KS1)

Use appropriate language in an email.

derstand the use of algorithms.

Use logical reasoning to make predictions.

Recognise the use of IT outside school.

Use technology safely and respectfully.

Write and test simple programs.

Use different font sizes, colours and images to communicate

te, organise, store, manipulate and retrieve data.

Know what personal information is and why they need to

Know what to do if they need help because of something

- Identify seasonal / daily weather patterns in the UK and the location of hot and cold areas of the world
