1. Introduction	
.1 Alverton Primary School is committed to providing an education of the highest quality for all its pupils / students and recognises this can only be achieved by supporting and promoting excellent school attendance for all. This is based on the belief that only by attending school regularly and punctually will children and young people be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance.	
.2 The whole school community – pupils / students, parents and carers, teaching and support staff and school governors – have a responsibility for ensuring good school attendance and have important roles to play. The purpose of the policy is to clarify everyone's part in this.	
.3 The policy has been drawn up after consultation with the whole community and is based on current government and Local Authority guidance and statutory Regulations. The school will ensure that all members of the committee know of the policy and have access to it.	
2. School's roles and responsibilities	
.1 <u>All</u> staff (teaching and support) at Alverton Primary School have a key role to play in supporting and promoting excellent school attendance and will work to provide an environment in which all our pupils / students are eager to learn, feel valued members of the school community and look forward to coming to school every day. Staff also have a responsibility to set a good example in matters relating to their own attendance and punctuality.	
.2 <u>Attendance Leader</u> A member of the Senior Leadership Team will oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure the Attendance Policy is consistently applied throughout the school. This person, known as the Attendance Leader, will also ensure that up-to-date attendance data and issues are shared weekly with the Senior Leadership Team, are made regularly available to all staff, pupils / students and parents (who will regularly be reminded about the importance of good school attendance) and that a report is prepared for the governing body half termly. (S)he will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.	

3 Registration

- i) The school is required to mark the attendance register twice each day; once at the start of the day and once during the afternoon session. Classroom teachers / for tutors are responsible for completing the attendance registers using the prescribed codes (shown overleaf).

- ii) The register will be called promptly at **9am** and **1.15 pm** by each class teacher and a mark will be made during the registration period in respect of each child.

- iii) Any pupil / student who arrives **after** the closing of the register will count as **absent**. Pupils / students who arrive before the register closes will be counted as **present** but will be dealt with under the school's policy on punctuality and lateness (see para 4.4 on page 6).

.4 Categorising absence

- i) A mark will be made in respect of each child during registration. Any child who is not present at this time will be marked unauthorised absence unless leave has been granted by the school in advance or the reason for absence is already known and accepted by the school as legitimate. Where a reason for absence is given and accepted by the school at a later stage, the register will be amended in such a way that the original entry and the amendment / correction are distinguishable. The decision about whether the absence should be authorised or unauthorised rests with the head teacher.
- ii) Alverton School recognises the clear links between attendance and attainment, and attendance and safeguarding children. It recognises that inappropriate authorisation of absence can be as damaging to a child's education as authorised absence, will potentially send a message to parents that any reason for non-school attendance is acceptable and can render children extremely vulnerable to harm. If absence is frequent or continuous, and except where a child is clearly unwell, staff at Alverton School will therefore challenge parents about the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence **will always rest with the school**.
- iii) If no explanation about an absence is received by the school **within 2 weeks**, the absence will remain unauthorised;
- iv) Absence will be authorised in the following circumstances:
- (a) where leave has been granted by the school in advance, for example –
- a pupil is to participate in an approved performance
 - a pupil is involved in an **exceptional** special occasion – in authorising such an absence the individual circumstances of the particular case and the pupil's / student's overall pattern of attendance will be considered,
 - in **exceptional** circumstances, permission has been granted for a family holiday for which the parents have sought permission in advance
- (b) where the school is satisfied that the child is too ill to attend;
- (c) where the pupil / student has a medical appointment (although parents should be encouraged to make these out of school hours wherever possible, and to return their child to school immediately afterwards – or send him / her to school beforehand;
- (d) where there is an unavoidable cause for the absence which is beyond the family's control, eg extreme weather conditions;
- (e) the absence occurs on a day exclusively set aside for religious observance by the religious body to which the pupil's / student's parents belong;
- (f) the pupil / student lives more than two miles (if he/she is under eight) or three miles (if he/she has reached eight) and no suitable transport arrangements have been made by the Local Authority;
- (g) the pupil / student is of no fixed abode, his/her parent is engaged in a trade which required him/her to travel, the pupil / student has attended school as often as the nature of the trade permits **and**, have reached the age of six, he/she has attended 200 sessions in the preceding 12 months;

(h) in other **exceptional circumstances** (eg a family bereavement) and **for a very limited period**.

v) Except in the circumstances described above, absences will be unauthorised. Some examples of reasons for **not** authorising absence would be:

- no explanation has been given by the parent;
- the school is not satisfied with the explanation;
- the pupil / student is staying at home to mind the house;
- the pupil / student is shopping during school hours;
- the pupil / student is absent for **unexceptional** reasons, eg a birthday;
- the pupil / student is absent from school on a family holiday without prior permission;
- the pupil / student has been stopped during a truancy sweep and is unable (or the parent is unable) to give a satisfactory reason for the absence.

.5 Approved educational activity

Where a student is engaged in off-site approved educational activities, the school will check his/ her attendance on a daily basis before entering the appropriate code in the register.

.6 Staff Training

The School Attendance Leader will ensure that all staff responsible for taking registers, including any temporary or supply staff, receive sufficient training to enable them to perform the task accurately.

3. Collection and analysis of data

.1 The Attendance Leader will ensure that attendance data is complete, accurate, analysed and reported to the senior leadership team, parents and the governing body (see para. above). The report should include commentary on the trajectory and the school target. The data will inform the school's future practice to improve attendance and prevent disaffection.

.2 Attendance is monitored by class and by reasons for absence. It is also analysed by gender, ethnicity, pupils / students with special educational needs and those who are vulnerable to poor attendance.

.3 Accurate attendance returns are made to the DfES within the stipulated time frame.

4. Systems and strategies for managing and improving attendance

.1 Attendance has a very high profile at Alverton School and is regularly discussed at assemblies and in classes. Parents are regularly reminded in newsletters and school meetings about the importance of good attendance and its links to attainment.

.2 First-day calling

Alverton School has in place a system of first-day calling. This means that parents will be telephoned on the first day a pupil / student is absent without explanation to establish a reason for the absence. This helps to identify at an early stage pupils / students who do not have a good reason for absence or who may be absent without their parents' knowledge. Where it is not possible to make contact with parents on the first day of absence, the school will send a letter to them by first class post.

.3 Other Positive Strategies

Newsletter

Regular short reminders about attendance.

Curriculum

Issues about attendance also link with other areas – an appropriate inclusive curriculum, behaviour policy, anti-bullying policy, PSHE policies and schemes of work. All of these will contribute to creating a school ethos and culture that promotes awareness of and responsibility for attendance as a partnership between the school, parents and community.

Incentives and rewards for good attendance

The school aims to reward success for all pupils. Benefits in rewarding attendance are as follows:

- Pupils and parents know that the school recognises and appreciates their efforts.
- Rewards provide an effective way of communicating with parents, it provides opportunity for parents to see their children achievements and praise them for these.
- Rewards for attendance are inclusive across the ability range.
- Rewards can reflect personal attendance targets and improvement for individuals.

Also rewards in themselves can provide motivation to succeed and achieve.

Attendance Certificates

Each week the class with the highest attendance percentage will receive a certificate and win the Attendance Bear.

These will be announced in the school's end of weekly celebration assembly.

Further certificates and small attendance prizes will be awarded to pupils who achieve 100% attendance throughout the school year.

.4 Strategies to tackle poor attendance

- Parents of individual children who were not on time will be written to so parents are aware of the importance of punctuality.
- Individual monitoring of lateness, targets set and improvement celebrated appropriately.

Lateness and punctuality

Pupils / students are expected to arrive at school, and be in the correct room for registration, on time every day. It is very disruptive to their own education, and that of others in their class, if they are late. Pupils / students who arrive after the register closes (see para. 2.3 (iii) on page 4) will be marked absent for the whole session (a session being a morning or an afternoon). This absence will be unauthorised unless the school is satisfied that there is a legitimate reason for the pupil / student to be late. Such a reason will not include things such as missing the bus, clothes in the washing machine or lost shoes. A pupil / student who is persistently absent by reason of lateness will be dealt with in the same way as other students with an emerging pattern of absence (see para. 4.3).

Pupils / students who arrive late for school but before the register closes are monitored for frequency of lateness. If the lateness is persistent, the parents will be requested to give adequate reason.

For health and safety reasons it is important that the school knows who is in the building. Pupils / students arriving late should therefore report to the main school office. **It is important that all pupils / students arriving late following this procedure.**

For the same reason it is important that pupils / students leaving the premises legitimately (eg for a medical appointment), or returning to school later in the day report to the main school office.

5. Term-time Holidays

- .1 Term-time holidays are intended for children whose parents are unable to take holiday at any other time.
- .2 Alverton School will consider every application individually, its policy is NOT to grant leave of absence for a holiday other than in the most exceptional circumstances. Time off school for family holidays **is not a right**. An application must be made in writing, with appropriate evidence, **in advance** of the intended holiday.
- .3 Alverton School will consider authorising holidays for:
 - service personnel and other employees who are prevented from taking holidays during term-time;
 - when a family needs to spend time together to support each other during or after a crisis;
 - parents who are subject to a strict and un-negotiable holiday rota and evidence is provided to this effect.
- .4 Requests for holidays for the following reason will not be authorised:
 - cheaper cost of holiday;
 - availability of the desired accommodation;
 - poor weather experienced in school holiday periods; and
 - overlap with beginning or end of term.
- .5 Alverton School will respond to all requests for a leave of absence in writing giving the reasons for the decision.
- .6 Alverton School will NOT authorise a holiday during periods of national tests, ie SATS

6. Extended leave of absence

- .1 In considering absence for extended trips overseas Alverton School will take account of the following:
 - a visit to family overseas has a very different significance from a normal 'holiday';
 - such visits may be important in terms of children's identity and self-esteem as they grow up;
 - parents may feel that the reasons for their visit outweigh the importance of their child's uninterrupted attendance at school (although parents could be encouraged to use the school holiday periods for at least part of their trip);
 - the reasons for wishing to make a visit is more difficult, particularly for minority ethnic families, where huge distances and high costs are involved;
 - where extended leave of absence is granted there will be an expectation that the pupil undertakes some school-set work during this period.

7. Parents' / carers' responsibilities

- .1 The prime responsibility for ensuring children receive an appropriate and full-time education rests with parents / carers (defined by the Education Act 1996 as those with parental responsibility and those who have the care of a child), who will be supported and encouraged by Alverton School.
- .2 Alverton School expects parents / carers will:
 - ensure their children attend the school regularly;
 - support their children's attendance by keeping requests for absence to a minimum;
 - not expect the school to automatically agree any requests for absence, and not condone unjustified absence from school.
- .3 Parents will also be expected to:
 - notify Alverton School on the first day of absence, by telephoning the school before 9.00 am, or by speaking to the school secretary whilst dropping off siblings.
 - ensure their children arrive at school on time, properly dressed and with the right equipment for the day;
 - work in partnership with the school, for example by attending parents' meetings and consultations, signing homework diaries when asked to do so, taking an interest in their children's work and activities;
 - contact the school without delay if they are concerned about any aspects of their children's school lives. Alverton School will endeavour to support parents to address their concerns.

8. Pupils' / students' responsibilities

- .1 All pupils / students should be aware of the importance of regular school attendance. If they are having difficulties that may prevent them from attending school regularly, they should speak to their class teacher.
- .2 Pupils / students should attend all their lessons on time, ready to learn. If they have been absent from school they should give their class teacher or form tutor a note from their parents to explain the absence. Pupils / students also have a responsibility for following school procedures if they arrive late.

9. Governors' responsibilities

Section 175 (2)

- .1 The governing body of a maintained school shall make arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school.

10. Conclusion

- .1 Regular school attendance is a necessary contributor to ensuring the outcomes of *Every Child Matters*:

Be healthy –

- attendance at school supports children's emotional and social health and development
- the school curriculum teaches children to be healthy

Stay safe –

- schools and the LA have a statutory duty to promote the safety and welfare of children
- the best way to safeguard children is to ensure they attend school regularly

Enjoy and achieve –

- good school attendance supports children in reaching their maximum potential and enjoying the fulfilment this brings

Make a positive contribution –

- membership of a school community builds confidence, gives children a sense of belonging and teaches them to contribute to and be responsible for the well-being of others

Achieve economic well-being –

- good school attendance supports engagement in further education, employment or training in the future, which in turn helps to support a prosperous and fulfilling lifestyle

Reviewing the policy

The school will review this policy each year..

REVIEW OF PUPIL ATTENDANCE

Dear

As part of our Pupil Welfare procedures, we carry out an end-of-term pupil attendance analysis. In accordance with government guidance & feedback from our Penzance Education Welfare Officer, we are required to engage with parents where a child's attendance is 85% or below or where there have been a significant number of Broken Weeks within the previous term.

Ofsted Attendance Grades		
96.0% + High	95.1 – 96.0% Above average	94.1 – 95.0% Average
94.0% or below Low	85% or below Cause for Concern	80 % or below Persistent Absence
Broken Weeks Grades		
1/3 Broken weeks within a term = 33%		Cause for Concern

This is an overview of your child's attendance;

We fully appreciate that receiving this letter can be a shock for some parents. We want to reassure you that we are aware that there can be one or more genuine circumstances that have combined to contribute to this particular attendance rate and for many pupils, their attendance may well improve in the Spring & Summer terms.

- We appreciate that your child's absence may be due to either:
 - A childhood condition or accident e.g. chicken pox, measles, tonsillitis, broken arm or leg etc.
 - A diagnosed & ongoing significant/chronic/life-threatening illness
 We understand that a prolonged absence in these circumstances is unavoidable but we are still obliged to inform you of the impact on your child's attendance rate.
- If your child's attendance rate is due to other circumstances (e.g. change in domestic circumstances), we ask that you make the school aware of the situation. It is also important that the school is kept updated from term to term if the situation continues.

We must emphasise that we are not judging parents on their child's attendance but you need to be aware that significantly low attendance does have a real impact on pupil learning and development. We are always happy to meet with you and to offer whatever help or support we can. We want to do all we can to avoid lost learning for your child. This commitment by the school was recognised and praised in our recent Ofsted inspection report.

"Attendance is average and improving because the school takes effective steps to follow up absences with parents and carers." (Ofsted December 2010)

Below is outlined the school's intended course of action in relation to your child's Autumn attendance rate:

Steps	SCHOOL ACTION	Where are we?
1	Write to parents with attendance data and concerns and request that they make an appointment to meet with the headteacher within seven day of receiving this letter in order to discuss current attendance rate & set targets for improvement	X
2	School to monitor pupil attendance on a weekly basis. If attendance fails to improve in line with targets set move to step 3	
3	Write to parents with attendance data and concerns and request that they make an appointment to meet with the headteacher within seven day of receiving this letter in order to discuss current attendance rate & set targets for improvement.	
4	School to monitor pupil attendance on a weekly basis. If attendance fails to improve in line with targets discuss possibility of fines.

ALVERTON PRIMARY SCHOOL

ATTENDANCE POLICY

A GUIDE FOR

PARENTS

1. When does my child need to be in School?

Your child should be at school in good time for registration. The morning register will be called promptly at **9am** (the school door is open at 8.45) and the afternoon register at **1.15pm**.

2. What happens if my child is late?

Registration finishes at **9.00am** in the morning and **1.15pm** in the afternoon.

If your child arrives between 9.00 and 9.15, they will be recorded as Late L. After 9.15 they will be marked as absent U.

Pupils arriving after 9.00 will have to enter school via the office to be registered. They will be recorded in the late book.

If your child arrives after **1.15 pm** he/she will be marked absent, and the same procedure needs to be followed as for the morning session.

3. Does the School need letters explaining my child's absence or will a phone call do?

We would expect a parent to telephone the school on. If we do not receive an explanation, or if the explanation is unsatisfactory, we will not authorise the absence, and this will be shown on your child's end of year report.

4. What reasons will the school accept for absences?

- Illness
- Emergency dental / medical appointment (please make routine appointments after school or during the holidays)
- Day of religious observance
- Family bereavement

Except in the case of illness, you should ask for permission for your child to miss school well in advance, giving full details. In cases of recurring absences through illness you may be asked to produce a medical certificate.

5. What is unacceptable?

The school will not authorise absence for day trips, visiting relatives, shopping, birthdays or looking after brothers or sisters, etc.

6. Will the School contact me if my child is absent?

The school operates a first day response to absences: we will phone you if we have not heard from you. This is because we believe it is our responsibility to ensure your child's safety as well as their regular school attendance. On returning to school we will require a letter explaining the reason for the absence.

If we are concerned about aspects of your child's attendance or punctuality we will contact you to discuss the best way forward.

7. I am thinking about sending my child on an extended absence for an overseas trip to visit relatives. What should I do?

The school recognises that such absence can be important for children to keep in touch with their extended family. Contact your child's class teacher or form tutor as soon as possible to discuss the best time for such a visit.

The school would strongly recommend that such absences do not take place during your child's SATs examinations. You need to complete an application form for extended leave of absence and if the Headteacher then approves the visit, the school will set work for your child to complete while away.

As far as possible we will ensure the work set reinforces the educational value of such a visit.

8. What can I do to encourage my child to attend School?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he / she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his / her education. Your child will bring home a school diary each evening. Please ensure you look at it with your child and sign it ready for the next day.

9. My child is trying to avoid coming to School. What should I do?

Contact your child's class teacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem.

ATTENDING SCHOOL REGULARLY

A GUIDE FOR PUPILS / STUDENTS

1. Attending regularly and on time

Regular attendance will help you make the most of the opportunities here at Alverton CP School.

- keep up with your school work and get the best results you can;
- get a job – employers like people who are reliable.

Remember, your attendance at school is shown in your Annual Report.

2. Absences

Acceptable reasons for absences include:

- illness
- emergency dental / medical appointments (please make routine appointments after school or during the holidays)
- day of religious observance
- family bereavement
- attending an interview for a job, college, university, etc.

Looking after your brothers and sisters, birthdays, general trips such as shopping and helping at those are NOT reasons to be absent from school.

You will also need a note from your parents to explain ALL absences from school. You will also need a note if you arrive at school after 9.05 am in the morning. If you do not bring a note, or the explanation on the note is unsatisfactory, the absence will count as unauthorised and will be shown on your end of year report.

3. Need help?

Problems with your school work? Are you being bullied? Are your friends giving you a hard time? Are things difficult at school? Are things difficult at home?

You may feel that missing school is the answer. It is not – it may even make things worse.

TALK TO SOMEONE – your class teacher, form tutor, another member of staff, your parents. We will do everything we can to help you get over the problem.
