

Good morning all and welcome to a brand new week.

May the fourth be with you!!

I hope you all had a lovely weekend with your families and got some fresh air and exercise.

I borrowed a tool called a router off one of my neighbours and have been practising my woodworking techniques. I am certainly no expert but I'm getting better. On the second box I made the lid actually fitted!!

What have you been up to?

Anyone learnt any new skills like me?

English

Today's English is going to be some WW2 based reading comprehension and a SATs Bootcamp SPaG test.

The reading comprehensions are on Showbie, with the answers and I would like you to try Short answer Paper 4 on SATS boot camp. If you have forgotten your password ask me. I will be monitoring the results to see how well you are doing. Remember, if you get stuck on a question, ask me on Showbie before you answer what you need to do. That's what I'm here for. If you don't know, don't guess...find out!

Maths

You know what to expect by now!
