

Morning everybody!  
Hope you are all well.  
It was a lovely weekend wasn't it? Anybody have a barbecue?  
Anyone go for any new walks of finding cool new places?  
If you did, please let us know.

#### Year Six Gallery

Thanks to the people who put a picture of themselves helping around around the home in the Year Six gallery. This week, I would like a picture of you getting your daily exercise, however you do it;: running, cycling, trampolining, running up and down the stairs - whatever. Let's try and get one of everybody this time!

#### English

Two tasks today - SPaG and Reading.

First I want you to do the SPaG short answer Test 6 on BootCamp. If the iPad will not let you move punctuation in, do not worry about those questions. HOWEVER the most important thing is that you message me about any question you can't do. I want to help you understand the answers, so Showbie me about the tricky ones.

Secondly, I want you to do two Read Theory Assignments.

I will check your scores.

Send me the names of the ones you have done once you have finished.

#### Maths

Do It Now  
Coordinates

#### French

Farm animals
