

Monday 23rd March

Good morning everybody!
Hope you are all well.
Phoebe, get off the table!
Liam tuck your shirt in!
Amon, wake up!

You know the best thing about home-learning?
You only have to sound like you have a tie on!

If you have any questions about anything today, just send me a message on Showbie. I might not answer straight away but I will answer.

OK Let's get to work!

First off, reading. (9am to 9.45...ish)

On your Showbie Kenidjack you will find two short reading comprehensions, one on Tremors, one on Floods. You can either write the answers on the page using the Showbie pen tools, or write the answers in your green book, take a photo of it and upload it to Showbie. The answers are at the end so you can check your own work.

Next SPAG

Go to the English group Showbie page. Watch the videos and try the questions. Use the pen tool to write the answers on the sheet.

Have a break you guys!

Go in the garden, clean the bathroom, tidy your bedroom. Liam, tuck your shirt in!

Maths.

Go to your Showbie Maths Group and work through the stuff.

There is a Do It Now! Then there is a video to watch, a worksheet to do either on showbie or in your green book, then answers so you can check.
