

Dear Parents and Carers,

Well, this week has almost felt like the summer terms of old!

Mazey has been and gone – if you went to Morrab Gardens, I hope you went on Saturday, otherwise you probably got very soggy. The four heads representing our celebration of the four seasons looked fantastic and apparently have appeared many times on social media. A massive well done and thank you to all the staff involved (especially Miss Williams and Mr Eddy) – we have an abundance of creative and talented artists on the staff and they certainly did us proud! Today, we also held our own mini-Mazey: after parading around the school site, we gathered in our bubbles on the field and celebrated all the creations that the children have recently made with songs, performances and a good time had by all.

We have even had some school trips! Key Stage 1 enjoyed a great day at Porthcurno Beach and the Minack a couple of weeks ago while Lower Key Stage 2 have been down to the beach at Wherrytown this week as part of their Geography work. Upper Key Stage 2 have had a fantastic time kayaking at Newlyn and the Year 6s have also been surfing.

It's always astonishing that there is so much to do in the last few weeks of the summer term and the staff are all working incredibly hard to ensure the children have a great time. It's such an enjoyable time of year – lessons outside, loads of PE and generally making the most of the lovely weather and our amazing grounds.

We just need to throw in a sports day that is cancelled for rain and it could be any summer term for about the last ten years!!

Best wishes,

Cathryn Wicks

Deputy Headteacher

Change to next year's term dates

There will be an extra Bank Holiday in June 2022 to celebrate the Queen's Platinum Jubilee. The extra Bank Holiday (Friday 3th June) already falls within the Summer half term and so schools will have an additional closure day during the year. We have chosen Monday 6th June (the day after the Summer half term holiday) so school will be closed on that day and we will return for the second half of the Summer Term on Tuesday 7th June 2022. Please see the updated Term Dates for 2021/22 attached. These can also be found on our website under Parent Pages, Term Dates.

Lost property

All the unnamed lost property currently in school will be taken to the charity shop at the end of term. If it is named it will be returned to your child. If you are missing anything please let the office or your child's teacher know so that we can check in the lost property box. **Please remember that you if you name your child's clothing we will always return it to you if we find it.**

Coronavirus symptoms

The main symptoms are:

A high temperature (hot to the touch on chest or back)

OR

A new, continuous cough (coughing a lot for more than an hour or 3 or more coughing episodes in 24 hours)

OR

A loss or change to your sense of smell or taste (you've noticed you cannot smell or taste anything or things smell or taste different to normal)

If you or your child have any **ONE** or more of these you must get a COVID-19 test as soon as possible and stay at home and do not have visitors— only leave home to get the test. Anyone you live with, and anyone in your support bubble, must also stay at home until you get your result. **Please ring or email the school office as soon as possible to let us know.**

If your child tests positive over the weekend please email
head@alverton.cornwall.sch.uk

You can book at test online at:

<https://www.gov.uk/get-coronavirus-test>
or phone the NHS test line 119.

Found

An adult's watch has been found and handed into the office. If you have lost one in the last week please contact us with a description. Thanks.

SafeToNet is an app for parents to help them safeguard their children from online risks like cyberbullying and sexting, whilst respecting their child's rights to privacy.

Online Safety

The BBC have a website and app called Own It. The website has a lot of content for children to help them navigate their online lives, and the free smartphone app comes with a special keyboard which can intervene with help and support in the moments that children need it the most.

Whilst there are huge benefits to being online in order to stay connected to family and friends, many parents may feel concerned about the activities and content their children are accessing. This guidance outlines resources to help keep children safe from different risks online and where to go to receive support and advice. This information is updated as needed (it's recently added new information on apps) so it's worth another look.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one app of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

TikTok is a video-sharing social media app which lets people create, view and download looping 15-second clips. Typically, these are videos of users lip-synching and dancing to popular songs or soundbites (often for comic purposes), enhanced with filters, effects and text. Designed with young people in mind, TikTok skyrocketed in popularity in 2019 and has featured near the top of download charts ever since. It now has around 800 million active users worldwide.

What parents need to know about

TIKTOK

AGE-INAPPROPRIATE CONTENT

Most videos appearing on a child's feed are light-hearted and amusing. However, some clips have been reported for featuring drug and alcohol abuse, themes of suicide and self-harm, or young teens acting in a sexually suggestive way. The sheer volume of uploads is impossible to moderate entirely – so it is possible for a child to be exposed to explicit and age-inappropriate content.

EXPLICIT SONGS

TikTok primarily revolves around videos of users lip-synching and dancing to music. Inevitably, some featured songs will contain explicit or suggestive lyrics. Given the app's young user-base, there is a risk that children may view older users' videos and want to imitate any explicit language or suggestive actions.

TIKTOK FAME

The app has created its own celebrities: Charli D'Amelio and Lil Nas X, for example, were catapulted to fame by exposure on TikTok – leading to many more teens attempting to go viral and become "TikTok famous". While most aspiring stars hoping to be "the next big thing" will find it difficult, setbacks may in turn prompt them to go to even more drastic lengths to get noticed.

HAZARDOUS VISIBILITY

Connecting with others is simple on TikTok – including commenting on and reacting to users' videos, following their profile and downloading their content. The majority of these interactions are harmless, but – because of its abundance of teen users – TikTok has experienced problems with predators contacting young people.

ADDICTIVE NATURE

Like all social media, TikTok is designed to be addictive. It can be hugely entertaining – but that also makes it hard to put down. As well as the punchy nature of the short video format, the app's ability to keep you intrigued about what's coming next mean it's easy for a 5-minute visit to turn into a 45-minute stay.

IN-APP PURCHASES

There's an in-app option to purchase 'TikTok coins', which are then converted into digital rewards for sending to content creators that a user likes. Prices range from 99p to an eye-watering £99 bundle. Buying coins is now restricted to over-18s – but TikTok doesn't require users to verify their age on sign up, so a young person could easily access this feature if they were determined to.

Advice for Parents & Carers

TALK ABOUT ONLINE CONTENT

Assuming your child is above TikTok's age limit, talk to them about what they've viewed on the app. Ask their opinion on what's appropriate and what isn't. Explain why they shouldn't give out personal details or upload videos which reveal information like their school or home address. In the long run, teaching them to think critically about what they see on TikTok could help them to become social-media savvy.

MAINTAIN PRIVACY SETTINGS

In early 2021, TikTok changed the default setting for all under 18s' accounts to 'private'. Keeping it that way is the safest solution: it means only users who your child approves can watch their videos. The 'Silk' (which lets users splice clips from other people's videos into their own) and 'Duet' (where you build on another user's content by recording your own video alongside their original) features are now only available to over 18s. This might clash with your child's ambitions of social media stardom, but it will fortify their account against predators.

LEARN ABOUT REPORTING AND BLOCKING

With the correct privacy settings applied, TikTok is a relatively safe space. However, in case something does slip through, make sure your child knows how to recognise and report inappropriate content and get them to come to you about anything upsetting that they've seen. TikTok allows users to report anyone breaching its guidelines, while you can also block individual users through their profile.

ENABLE FAMILY SAFETY MODE

'Family Safety Mode' lets parents and carers link their own TikTok account to their child's. Through your mobile, you can control your child's safety settings remotely – including limiting screen time, managing their ability to exchange messages (and with whom) and blocking all of age-inappropriate content. TikTok refreshed its Safety Centre in May 2021, providing new resources for parents and carers to support online safety among families. These resources can be found on their website.

USE RESTRICTED MODE

In the app's 'Digital Wellbeing' section, you can filter out inappropriate content (specific content creators or hashtags, for instance) using 'Restricted Mode'. This can then be locked with a PIN. You should note, though, that the algorithm moderating content isn't totally dependable – so it's wise to stay aware of what your child is watching.

MODERATE SCREEN TIME

As entertaining as TikTok is, you can help your child to manage their time on it in the 'Digital Wellbeing' section. Under 'Screen Time Management', you can limit the daily permitted time on the app (in increments ranging from 40 minutes to two hours). This preference can also be locked behind a PIN. That way, your child can get their regular dose of TikTok without wasting the whole day.

Free School Meals

At this time, many families may find themselves eligible for Free School Meals and Pupil Premium who previously did not meet the criteria. Please read this page carefully to find out if you are now eligible.

Cornwall Council are continuing to process new applications for Free School Meals. Please ensure that you read the eligibility criteria before applying and complete the online application form if you are eligible.

<https://www.cornwall.gov.uk/education-and-learning/schools-and-colleges/school-meals/application-for-free-school-meals-and-pupil-premium/>

Postal applications are currently not being accepted but, if you are unable to apply online, you can call the Free School Meals team on 01872 323298 and a member of the team will call you back to complete the application over the phone. Please make sure that your phone will accept calls from a private / withheld number.

NB All Reception, Year 1 and Year 2 pupils are entitled to receive a free school meal as part of the Universal Infant Free School Meals (UIFSM) initiative, regardless of what benefits are being claimed.

However, some children in Reception, Year 1 and Year 2 may also have an underlying entitlement to benefits-related Free School Meals. Please ensure that you check this and apply if appropriate, even if your child is in one of these year groups, because of the additional benefits (eg food vouchers during holiday times where these are given by the Government).

Your child may be eligible for benefits-related free school meals if their parent / carer (or the child themselves in their own right), receives any of the following benefits:

- Income Support (IS)
- Job Seekers' Allowance (Income-Based) and equal based Job Seekers Allowance
- Income Related Employment and Support Allowance (ESA-IR) and equal based Employment and Support Allowance
- Child Tax Credit (CTC) with an annual income of less than £16,190
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Guarantee Element of Pension Credit (GPC)
- Immigration and Asylum Act 1999 (IAA) Support
- Universal Credit - Your household income must be less than £7,400 a year (after tax and not including any benefits you get) as assessed by earnings from up to three of your most recent assessment periods

If you are claiming the benefits listed below you are NOT eligible for free school meals, regardless of what other benefits/credits are being claimed:

- Working Tax Credit
- Contribution-Based Job Seeker's Allowance and / or Contribution-Based Employment and Support Allowance

However, you will be temporarily eligible to claim free school meals if you receive a Working Tax Credit run-on, which is the payment you may receive for a further four weeks after you stop qualifying for Working Tax Credit.

If you think that your child is eligible for Free School Meals, we strongly recommend that you contact Cornwall Council as detailed above.

Mrs D

So I am about to reach the end of my first full week of self-isolation and I am thoroughly delighted with my new freedom. I have been out walking, cycling and swimming most days, and am still not over the excitement of my release. This may sound silly but I felt as if I were in prison, albeit a very lovely one with a garden and great family who were isolating with me. Which made me wonder about the folk out there, and I'm sure we all know who they are, who are still finding this tricky, still not keen to come out of their homes, for whom isolation in some form has become the norm. Do you know of someone who is finding it tricky to leave home? I know I do. Do you know of a parent perhaps who is finding leaving home to do the school run too much? I know I do. Can you offer words of wisdom or even better, a listening ear? I am here if you can't and I'm here if you need those words yourself. Always am. Always will be. It doesn't even need to be about Covid, or viruses, or anything like that. It can be about any topic you like. Mrs D xx
