

Good morning lovely people.  
And good morning to the rest of you as well

Today I am going to be in school with the children whose parents are Keyworkers so I will not be online or able to chat on Showbie which means that the work will be a little different today.

Firstly, get on to the Joe Wicks exercise class - 9:30 on You Tube - you know it makes sense!

### English

For English today we are going to use SATs Boot Camp to see what we can remember..

Log on to SATs Boot camp, go to Practice Tests and do Reading Test 5, SPAG Test 5 and Spelling Test 5. I will be going on the website later to find out how you have done.

### Maths

For Maths, we are going to try something a little different. The lovely people at I See Maths have started making teaching videos during the school lockdown period so you are going to try one of them. I will put the link below and all you need to do is have pencil and paper ready then press play and follow the instructions. Do the activities the teacher gives you and at the end, let me know what you think of it. If you like them, we can do some more.

Here is the link

<https://www.youtube.com/watch?v=PvnWhOWbs2A&t=10s>

### Afternoon Task

Thought it may be good to do a bit of virtual learning today.

As we are not allowed to visit any attractions, what better activity than to visit Edinburgh Zoo

<https://www.edinburghzoo.org.uk/webcams/koala-cam/#koalacam>

I went on the Koala cam, as I like Koalas and I saw a lot when I visited Australia. However the Koala was asleep! so not very exciting.

This link takes you to lots of different animals. Choose an animal and do some research. How much can you learn about your chosen animal? I now know quite a lot about the blue poison dart frog!

Make a poster/ Pic-collage /Pages document or whatever you like and upload it to the Kenidjack Friday afternoon page. Happy learning!
