

IMPORTANT MESSAGE

I have made a decision about the way we of communicate/share home learning. UKS2 have been using an app/website called SHOWBIE, you may have heard of it, but if not I will briefly explain:

- Showbie is an easy way to share work, for me to mark it/make comments, and is an instant form of communication between Teacher and Pupils/parents
- You will need a code to join 'Trencrom' which I will leave below.
- I can send you direct messages, and you can share the home learning you have been doing, any questions you have I can answer straight away
- I will be on Showbie between 10.00 - 13.00 and 14.00 - 17.00 where I can respond to work and questions

Step by Step how to join:

- Either search 'Showbie' on your laptop/computer or iPad and click on 'Sign In'
- At the bottom of the Sign in options, there will be a small sentence saying 'Don't have an account? Sign up for Free'. If you click on this it will take you to another page
- Please click on 'I am a student'
- Please click on 'Sign up with a username'
- Here I would recommend something similar to this:

First name: George

Second name: Smith

Username: Gsmith

Password: Trencrom

- It should then take you to a page that gives you the option to Join and Class - and this is where you need the code: Z58ZK
- Once you are onto Trencrom's page I will accept you and then be able to add your parents with their emails too
- I will set up an assignment called 'Home learning' (with the week we are on) where you can submit your work
- The school website will still be updated each day and that is where you will access your activities and resources.
