

# Alverton Primary School: Pupil Premium Strategy Statement 2017 - 2018

1. Summary information						
School	Alverton Primary School					
Academic Year	2017-2018	Total Pupil Premium budget	£78480	Date of most recent Pupil Premium Review	January 2016 (Andy Brumby) July 2017 (internal)	
Total number of pupils	303	Number of pupils eligible for PP	55	Date for next review of this strategy		July 2018

2. Current attainment (See documents detailing Pupil Premium Data for 2016 – 2017 for a fuller picture)		
	<i>Pupils eligible for PP (your school)</i>	<i>Pupils not eligible for PP (national average)</i>
% achieving in reading, writing and maths at the end of Key Stage 2	25%	67%
Progress score Key Stage 2 for Reading	+1.11	+0.33
Progress score Key Stage 2 for Writing	+4.06	+0.17
Progress score Key Stage 2 for Maths	+4.69	+0.28

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
In-school barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>	
A.	There is currently an attainment gap between those children identified as disadvantaged and those who are not which may prevent them from achieving nationally expected standards at the end of a key stage and achieving their full potential.
B.	Some disadvantaged children enter the EYFS with low communication and literacy skills or speech and language needs; we need to address this to ensure that they are able to achieve in line with their peers.
C.	Children need to be ready to learn and their social and emotional needs, including self-image and self-awareness, need to be met; this year we particularly need to be aware of this on entry into the EYFS.
External barriers <i>(issues which also require action outside school, such as low attendance rates)</i>	
D.	Despite an improvement over the last year, attendance rates for pupils eligible for Pupil Premium are one of our lowest groups. This reduces their school hours and contributes to the attainment gap for some pupils.
E.	Some children are not financially able to access all opportunities available to their peers; alongside this there may be a lack of aspiration and expectation from both the children themselves and from others around them.

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Targeted individualised support for identified Pupil Premium children enables	Pupils eligible for PP make at least expected progress relative to their

	them to make accelerated progress and to achieve nationally expected standards at the end of each key stage including the EYFS.	individual starting points. Pupils eligible for PP achieve expected standards at the end of each key stage in line with national expectations and relative to their individual starting points. This will be measured by teacher assessments and moderation, end of Key Stage 2 SATs results, EYFS data and other appropriate assessments.
<b>B.</b>	Disadvantaged pupils make accelerated progress in the area of Communication and Language in the EYFS enabling them to better access their learning alongside their peers.	Pupils eligible for Pupil Premium make accelerated progress relative to their individual starting points in the strands of Communication and Language (Listening and Attention, Understanding and Speaking) in the EYFS. This will be measured by teacher assessments and moderation, end of Key EYFS data and any other appropriate assessments.
<b>C.</b>	The school is able to address and meet children's social and emotional needs including self-image and self-awareness, including in the EYFS.	Children's social and emotional needs are met through an effective range of support mechanisms. This is evidenced through a range of feedback mechanisms such as Thrive assessments.
<b>D.</b>	Increased attendance rates for pupils eligible for Pupil Premium.	Reduce the Pupil Premium % of pupils who are Persistent Absentees so that it is less than national %. Overall Pupil Premium attendance improves and is in line with that of non-Pupil Premium pupils. Pupil Premium children have free access to the school Breakfast Club and all extra-curricular clubs run in conjunction with this.
<b>E.</b>	Children eligible for Pupil Premium are able to access extra-curricular activities for which there may be a financial or aspirational barrier.	Pupil Premium children are able to access extra-curricular activities free of charge regardless of the fee which would normally apply (e.g. instrumental tuition, archery, etc) through the money allocated to each individual child. Children who are vulnerable or have a particular need for funding support are able to access additional financial support when they need it.

5. Planned expenditure						
Academic year	2017 - 2018					
The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies.						
i. Quality of teaching for all						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Cost	Staff lead	When will you review implementation?
A Improve reading comprehension strategies so that end of Key Stage 2 Reading Test results continue to improve and are nearer to those seen in Writing, SPaG and Maths. Ensure that higher-attaining readers at Key Stage 1 continue to make at least expected progress.	<p>Embed whole-class Read with Eric strategies and reading comprehension skills across Key Stage 2.</p> <p>Introduce Novel Study 4x weekly in LKS2.</p> <p>Increased focus on reading comprehension for Year 6 Intervention English Group with further dedicated Novel Study / reading comprehension following scheme written by an experienced English SLE.</p> <p>Key Stage 1 to further develop reading comprehension skills using Read with DERIC approach.</p> <p>Dedicated 1:1 reading for targeted children which is timetabled and monitored closely.</p> <p>Provide additional reading books for each class.</p>	<p>Our Key Stage 2 Reading Test results improved by 10% this year and, with 77% achieving the Expected Standard, were 6% above national (national % improved from 66% to 71%).</p> <p>The “gap” between these results and those for Writing, SPaG and Maths has narrowed but we want to improve our reading test scores further so that they are in line with the others.</p> <p>We specifically want to continue to improve the children’s ability to provide written answers to reading comprehension questions using the strategies we have introduced during 2016 – 2017 as accelerated progress across the school, in addition to the KS2 test scores and practice tests across the year, show that they are having a positive effect.</p> <p>The EEF Teaching and Learning Toolkit research has shown that developing reading comprehension approaches is an effective strategy but that it is important to teach these “explicitly and consistently”; this strategy has moderate impact for very low cost (on average +5 months additional progress).</p>	<p>Continuing to improve reading comprehension forms part of our School Development Plan and it will be monitored as part of that process.</p> <p>This will include lesson observations and learning walks, book scrutiny, ongoing professional dialogue and moderation within teams and termly data / progress review meetings with the Deputy Head.</p>	<p>LKS2 Novel Study books met from Phase budgets (approx. £600)</p> <p>Year 6 books met from English budget (approx. £160)</p> <p>1:1 reading from TA intervention budget below</p> <p>Reading books £150 x 12 = £1800</p>	<p>CW BCI MHa COR JD</p>	<p>Regular checks on children’s progress (eg by “practice” papers).</p> <p>Progress reviewed at least half-termly.</p> <p>1:1 readers monitored and progress reviewed at least monthly.</p>

A Increase pupil vocabulary	A combination of direct and indirect instruction. Novel Study Read with ERIC Further actions to be confirmed following whole-staff discussion	There is a high correlation between academic success and vocabulary size. If children do not adequately and steadily grow their vocabulary knowledge, reading comprehension will be affected.  A significant number of reading comprehension questions focus on vocabulary.	Monitoring and impact led by SLT and evidenced through observations, learning walks and book monitoring.	None	CW BCI KH JD COR	At staff meetings, in moderation meetings and with the termly review of the English Action Plan and SDP.
A Improve the quality of teaching and learning through learning walks and book scrutinies.	Learning walks and book scrutinies will be completed to review the quality of teaching being delivered. These may have a particular focus or may focus more generally on teaching and learning.  Effective practice to be shared.  Under-performance challenged and support provided.  Provide opportunities for all teaching staff to undertake focused learning walks within their own team to share effective practice and provide support.  Work sampling specifically of Pupil Premium children.	We are committed to providing all pupils with a high standard of education.  Maintaining an unerring focus on providing high quality teaching is a key low cost high-impact strategy; raising the quality of teaching both increases attainment and helps to close the gap.  Research consistently shows that high quality of teaching improves learning eg Ofsted 2013, NFER 2015.  The Sutton Trust shows that poor teaching hampers the progress of disadvantaged pupils by, on average, six months per year and is a major contributory factor in the gap that exists between disadvantaged learners and others. The evidence also shows that excellent teaching disproportionately helps disadvantaged learners.	Regular learning walks and book scrutinies to be planned.  Learning walks to be undertaken primarily by the Headteacher; the Deputy Head and Team Leaders will also lead these.  Team learning walk feedback will be monitored by the HT / DHT.  Learning walks will show evidence of the quality of teaching and learning and where outstanding practice is occurring as well as showing if additional support is needed to improve the quality of teaching.  Book scrutinies will provide evidence of the quality of work being produced along with areas that need to be addressed.	HLTA release time for teachers	MH CW COR JD KH	Learning Walks are reviewed immediately after they have taken place by the HT / DHT.  Termly review of Quality of Teaching as the SEF and SDP are updated.

<p>A</p> <p>Ensure progress for all groups of pupils in all phases of a lesson through effective use of additional adults throughout the school.</p>	<p>Extend the role of TAs working with groups at different times in the lesson.</p> <p>Effective use of TAs to be the focus of learning walks by HT; any areas for development will be followed up and appropriate support given where needed.</p> <p>Provide training for teachers and TAs on how to maximise TA impact using EEF materials.</p>	<p>We are conscious that some research (eg DISS report) highlights the low impact that TAs may have on pupil progress if used ineffectively and we want to ensure that we maximise their impact during lessons.</p> <p>The EEF report on Making the Best Use of Teaching Assistants makes key recommendations on the use of TAs in classrooms and we intend to follow this advice.</p>	<p>Effective use of TAs to be a focus for lesson observations and learning walks.</p> <p>Feedback from staff and pupils.</p> <p>Review by SLT.</p>	<p>Cost of TA support in lessons covered through staffing (not PP) budget</p>	<p>MH CW</p>	<p>Learning Walks are reviewed immediately after they have taken place by the HT / DHT.</p> <p>Termly review of Quality of Teaching as the SEF and SDP are updated.</p>
<p>A, B, C, E</p> <p>Further engage parental support and better enable parents to support their child with their learning at home.</p>	<p>Ensure that parents are actively engaged with, and able to, support their child's learning at home through holding parent workshops, for example about SPaG, Maths or Phonics, in response to parent requests.</p> <p>Continue to develop the Parent Liaison role to provide support for parents on any aspect affecting their child's learning.</p>	<p>Our events and celebrations of the children's learning are always extremely well-supported by parents.</p> <p>Many of our parents are very actively involved in their child's learning but there are specific aspects (eg UKS2 SPaG, Phonics, modern calculation strategies) about which parents have asked for support.</p> <p>The EEF Toolkit says that although parental involvement is consistently associated with pupils' success at school, the evidence about how to increase involvement is much less conclusive but that the suggestion from recent research is that increasing parent involvement will have a positive impact on their child's learning.</p> <p>Our own analysis would be that those children who are very well supported at home tend to achieve highly in relation to their own academic starting points.</p> <p>Last year, we very successfully introduced a Parent Liaison role for a member of staff who met with parents, primarily where attendance was a concern. We would like to broaden this further to support with other concerns parents might have.</p>	<p>Team Leaders will take responsibility for ensuring the effectiveness of the workshops.</p> <p>Headteacher and Parent Liaison officer will continue to work together to ensure the role is effective.</p>	<p>None</p>	<p>MH CW YD KH JD COR</p>	<p>Review of success of each workshop at SLT meetings.</p> <p>Termly review of Quality of Teaching as the SEF and SDP are updated.</p>
<p><b>Total budgeted cost</b></p>						<p>£1800</p>

## ii. Targeted support

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Cost	Staff lead	When will you review implementation?
A Enable children to make accelerated progress and attain national standards.	Provide 1:1 or small group teaching support for identified pupils for Maths and SPaG in Year 6 and Writing and Maths in Year 2.	<p>End of Key Stage analysis 2015 – 2016 and 2017 – 2018 shows that pupils who received 1:1 or small group intervention made significant accelerated progress across the year and an increased number of pupils have reached age related expectations (please see the Impact section of the 2016 – 2017 Pupil Premium Strategy document for full details).</p> <p>The EEF Teaching and Learning Toolkit confirms our evidence that 1:1 tuition can be effective, on average accelerating progress by an additional five months.</p> <p>In line with their guidance, we ensure that 1:1 tuition is additional to, but explicitly lined with, normal teaching. We also ensure that our 1:1 teachers are skilled, experienced, know the children well and can accurately identify individual children's specific learning needs in order to make their intervention highly effective.</p> <p>Further evidence comes from the increased confidence in these children and their belief in themselves as learners (see 16-17 Impact).</p> <p>Where appropriate and effective, we will create even more impact for the cost by having small group work rather than 1:1 work but this depends on individual circumstances and will be decided using sound and informed professional judgement.</p> <p>The Pupil Premium Planning and Evaluation Outlines for 1:1 Teacher-led Intervention (Year 6) 2015 – 2016 and 2016 - 2017 provide strong evidence for the effectiveness of this strategy in Year 6.</p> <p>The EEF Improving Literacy document for Key Stage 2 and Key Stage 1 recognise and recommend high-quality, targeted teaching and support such as this.</p>	<p>Ongoing review of pupils' needs and progress between 1:1 teachers and class teachers.</p> <p>Regular assessment and moderation.</p> <p>Data progress meetings.</p> <p>Pupil conferencing</p>	£13594	CW / MH / AH / AH / JD / LH / HH	<p>Ongoing review of pupils' needs and progress between 1:1 teachers and class teachers.</p> <p>Regular assessment and moderation.</p> <p>Termly pupil progress meetings.</p> <p>Pupil conferencing.</p>

<p>A</p> <p>Accelerate progress and enable children to attain national standards in English at the end of Key Stage 2.</p>	<p>Additional Teacher time to enable small group work in English in Year 6 for identified pupils.</p>	<p>Small teaching groups (especially for those children who need additional support) enables daily targeted support for identified Pupil Premium children.</p> <p>In 2016 – 2017, the Year 6 children working in a small English group made accelerated progress across the year: 8/9 made accelerated progress in Reading with 3 achieving the Expected Standard in Reading; 9/9 made accelerated progress in Writing with 7/9 at the Expected Standard (none of these children were writing at ARE in July 2016). Writing assessments were externally moderated.</p> <p>The EEF Teaching and Learning Toolkit recognises that this is an effective strategy especially when targeted at pupils' specific needs. This strategy enables us to ensure that all teaching is pitched at an appropriate level and uses approaches from which all pupils can benefit as well as allowing time for the teacher and TA to frequently work 1:1 with children to support their learning.</p> <p>Sutton Trust research shows that strong teaching disproportionately helps disadvantaged pupils; this group is taught by an experienced Year 6 teacher who is also an English specialist.</p> <p>The Pupil Premium Planning and Evaluation Outline for Small Group English Teaching in Year 6 2016 – 2017 provides strong evidence for the effectiveness of this strategy.</p>	<p>Regular writing assessment and moderation.</p> <p>Pupil progress meetings.</p> <p>Lesson observation.</p> <p>Pupil conferencing</p>	<p>£10992</p>	<p>CW</p>	<p>Regular assessment.</p> <p>Moderation and liaison with the other Year 6 teacher.</p> <p>Liaison with the 1:1 SPaG teacher.</p> <p>Pupil progress meetings.</p>
--	---	--	--	---------------	-----------	---

<p>A</p> <p>Learning is accelerated in English and Maths across the key stages for those pupils who require additional support to meet the requirements of age-expected standards and to make expected progress.</p>	<p>1:1 (or small group) interventions delivered by TAs to provide rapid support.</p>	<p>Progress across the school shows that Pupil Premium children are making at least expected progress in each cohort in Reading, Writing and Maths. Many of these children received TA led intervention. This has resulted in the number of children working at age-expected levels increasing. Please see the Impact section of the 2016 – 2017 Pupil Premium Strategy Document for further details.</p> <p>Our Phonics provision (including our small group and individualised interventions led by TAs) is regularly monitored by the English Lead and has been praised by a County advisor. It is proving to be very effective. Again, please see the Impact section of the 2016 – 2017 Pupil Premium Strategy Document for further details.</p> <p>The EEF Improving Literacy recommendations for Key Stage 2 and for Key Stage 1 recognise the importance of rapid provision of support which has been accurately assessed – through observation and assessment when teaching, and through marking as soon as possible after the lesson, class teachers identify those children who need additional support to meet the day’s learning and can pinpoint exactly what these “gaps” may be; additional 1:1 support is then provided by TAs that afternoon to revisit the learning. Without this intervention, it would be very difficult for some of our children to keep up with the rigours of the new curriculum and make expected progress.</p> <p>The EEF Guidance Report “Making the Best Use of Teaching Assistants” identifies that using TAs to deliver high-quality 1:1 and small groups support shows an impact of approximately 3 additional months’ progress when structured support is provided.</p> <p>Our own evidence (primarily from feedback from pupils, TAs and teachers) is that this intervention is much more effective when delivered 1:1.</p>	<p>Ongoing review of pupils’ needs and progress between TAs and class teachers.</p> <p>Use of achievement data and children’s work to frequently check whether our interventions are working and make adjustments accordingly.</p> <p>Regular assessment and moderation.</p> <p>Data progress meetings.</p> <p>Pupil conferencing .</p>	<p>£17441</p>	<p>CW / COR / JD / BC</p>	<p>Daily review of who is receiving intervention and what this is.</p> <p>Formal review with termly pupil progress meetings.</p>
--	--	---	---	---------------	---------------------------------------	--

A Accelerate progress in Reading for targeted children.	The Reading University programme.	<p>The children who have completed this ten week programme this year have made an average of between 18 months and 24 months of progress in their Reading Age and have moved through at least four book bands.</p> <p>The EEF Improving Literacy Recommendations recommends using high-quality, structured intervention programmes such as this.</p>		Regular discussion between the English lead, class teachers and those delivering the programme.	£1582	BC / AP	Formal review at the end of each programme (every eight – ten weeks).
A and B Accelerate progress for Pupil Premium children in the EYFS, in relation to their communication needs.	Pupil Premium children are “headlined” on entry and interventions immediately put into place to address specific areas for development, including specialist Speech and Language support.	<p>Children often come into the EYFS with entry data that is below the national average in the area of Communication and Language. If children are not able to communicate effectively, this forms a barrier to their learning in many different areas of development.</p> <p>Often, children have specific areas which prevent them from achieving a Good Level of Development; identifying and addressing these specific areas of need ensure that the children are better able to achieve in line with national expectations.</p> <p>Sir John Dunford says that disadvantaged children fall behind their peers from a very young age so tackling the attainment gap in the Early Years is critical to success later on.</p>		Ongoing assessments by the EYFS team led by the EYFS lead who is a County moderator.	Within EYFS and PP Sp and L budgets	KH / HH / AC / MH	<p>Ongoing</p> <p>Formal review at termly Pupil Progress meetings</p>
B Children receive specialist support to develop their language and communication skills.	<p>A specialist HLTA provides Speech and Language intervention and additional, focused, targeted support that develops children’s language and communication skills and self-confidence.</p> <p>This support is particularly targeted towards children in the EYFS and into Key Stage 1.</p>	<p>Specialist HLTA intervention with pupils across the school has supported pupils in addressing particular Speech and Language needs, allowing targeted pupils to better access their learning by overcoming potential barriers as early in their school life as possible.</p> <p>Speech and Language support enables children to reach their fullest potential in terms of their speech, language and communication development which in turn enables them to participate more fully in all aspects of their daily life.</p>		This provision is reviewed regularly alongside the SENDCo, class teacher and Speech and Language therapists.	£5095	SMc	<p>Regular monitoring of progress.</p> <p>Termly SENS meetings.</p> <p>Regular TAC meetings for some children.</p>

<p>C</p> <p>Pupils' emotional wellbeing is supported by providing social and emotional support for those children who need it, including in the EYFS.</p>	<p>"Nurture" support is provided through 1:1 Thrive support, Pastoral support at lunchtimes and social and emotional interventions in the EYFS.</p> <p>Thrive practitioner 4xpm weekly.</p> <p>Pastoral Support daily in the library at lunchtime.</p> <p>Range of social and emotional programmes in the EYFS including individualised support and Thrive to Five and a Nurture / Social and Emotional intervention group.</p> <p>SATs week support from Year 6 1:1 teachers.</p> <p>Introduce "Champion a Child" to provide additional support for those pupils who really need it.</p>	<p>We consider addressing children's social and emotional needs to be fundamental to our work.</p> <p>Through this support, children become more self-assured and ready to engage with life and learning as well as better able to deal with life's ups and downs.</p> <p>The EEF Teaching and Learning Toolkit recognises that Social and Emotional interventions have an identifiable impact on attitudes to learning and, in many cases, attainment (four months additional progress on average) and appear to have particular impact on low-attaining and disadvantaged pupils.</p> <p>Thrive assessments from those children with whom our Thrive practitioners worked on a 1:1 basis over 2016 – 2017 support this as they showed significant progress for all children.</p> <p>This year, we have also recognised that those Year 6 children who received 1:1 intervention during the year really benefitted from the reassurance of the presence of the 1:1 teachers during the SATs test; we feel that this it is important to provide this reassurance for these children again next year.</p> <p>We have identified that some of our children, including those in receipt of Pupil Premium, are particularly vulnerable whether because, for example, of factors outside of school or around their learning or behaviour. We plan to introduce a "Champion a Child" scheme to provide another layer of support for these children.</p>	<p>Our Pastoral Team Lead, who is a trained Thrive practitioner, monitors the work of the team and its impact, including Thrive.</p> <p>She ensures that appropriate assessments and programmes are in place and monitored.</p> <p>EYFS Lead.</p> <p>Year 6 teachers.</p>	<p>£6865</p>	<p>AC / MH</p>	<p>These aspects are regularly reviewed as appropriate with formal review meetings held termly.</p>
---	---	---	---	--------------	----------------	---

<p>C</p> <p>Children's specific learning and emotional needs are identified and addressed to help the child be readied for learning.</p>	<p>Educational Psychologist time is bought in so that targeted support and advice can be given to staff and families of Pupil Premium children.</p> <p>We will also buy into specialist behaviour support for those children in need of this.</p>	<p>For some children and their families, the support provided by the Educational Psychologist or by specialist behaviour support workers is invaluable.</p> <p>This support has enabled parents and staff to work together even more effectively to support individual children's specific learning and emotional needs, allowing children to better access the curriculum and be ready to learn.</p> <p>Some children have other barriers to learning because of social and emotional needs; these need to be addressed so that the children are ready to access the school environment and to make progress in their learning. Educational Psychologist and Behaviour Support can help us to do this.</p>	<p>Visits are timetabled in advance to ensure maximum effectiveness for the visit and all staff involved have time to prepare.</p> <p>Progress against resulting action plans are monitored by the SENDCo and by the headteacher as necessary.</p>	<p>£2240</p>	<p>HH / MH</p>	<p>Visits are reviewed on each occasion by the SENDCo and the Ed Psych or behaviour specialist (approx. half-termly) and by the headteacher as necessary.</p>
<p><b>Total budgeted cost</b></p>						<p>£57809</p>

iii. Other approaches						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Cost	Staff lead	When will you review implementation?
D Continue to increase attendance rates to ensure that children in receipt of the Pupil Premium are not disadvantaged through low levels of attendance or punctuality.	<p>To continue to use the rigorous monitoring systems on a monthly basis.</p> <p>HT and Parent Liaison officer to work directly with parents of children whose absence is causing concern.</p> <p>Continue to work closely with the EWO service in tackling PA pupils.</p> <p>Continue to reward good attendance for pupils and keep attendance as high profile.</p> <p>Continue to develop the Learning Well Project with local GPs to target PA pupils.</p>	<p>We can't improve attainment for children if they aren't actually attending school. This may lead to under-performance and not reaching their full potential, having long-term impact on their social and economic future; the "Supporting the Attainment of Disadvantaged Pupils: Articulating Success and Good Practice" (DfE November 2015) document states that it is important to focus on attendance as "lower performance [is] associated with higher absence levels".</p> <p>The NFER briefing for school leaders identifies addressing attendance as a key step and we know that we need to continue to allocate additional funding in order to address attendance amongst our pupils, particularly those in receipt of the Pupil Premium.</p> <p>Although the actions and approaches have had an impact on individual children, attendance amongst PP children remains a key target area for 2017 – 2018.</p>	<p>The Headteacher is responsible for monitoring pupil attendance and ensuring appropriate support is in place to improve attendance.</p> <p>The Headteacher will liaise with the Pupil Premium Lead and the Parent Liaison Officer to review attendance and discuss pupils who are causing concern and the actions / support which may be needed.</p> <p>Effective liaison with EWO about existing absence issues.</p> <p>Regular monitoring meetings with Attendance Governor.</p> <p>Regular review of progress of strategies and improvements in attendance figures.</p>	£1985	MH	<p>Ongoing monitoring.</p> <p>Formal review of progress at the end of each term and for Headteacher's Report to the governors.</p>

<p>C and D</p> <p>To provide a social start to the day with opportunities for interaction with staff and their peers through a Breakfast Club.</p>	<p>To provide an opportunity for pupils to eat breakfast in school which is free for Pupil Premium pupils who may also attend pre-school clubs at no cost.</p> <p>Where attendance or punctuality is an issue, parents are directly approached and encouraged to use Breakfast Club for their children.</p>	<p>A good breakfast means a great start to learning for the day. Supporting a daily breakfast club allows us to support our pupils who may not have breakfast every day as well as those parents who need childcare before school.</p> <p>We also use the Breakfast Club to further support our attendance initiative as attendance amongst Pupil Premium children is an area we continue to actively address.</p> <p>The number of children attending our Breakfast Club has increased and we know that it is of great value to all those parents who use it.</p>	<p>Regular meetings between MH and Breakfast Club staff to discuss provision, attendance etc.</p> <p>Pupil conferencing.</p> <p>Parent consultation on provision, requirements etc.</p>	£3666	MH	Ongoing and as needed.
<p>All</p> <p>The school makes the best use of the Pupil Premium, ensuring that the children receive the highest quality provision possible from the funding.</p>	<p>Allocate funding to ensure the effectiveness of the leadership of Pupil Premium (both Pupil Premium Lead and Pupil Premium governor) and to ensure that our information is up-to-date and informs best practice.</p> <p>The Pupil Premium Lead, along with the Headteacher, ensures that an ethos of achievement and expectation is created across the school.</p> <p>Our strategy and resulting action plan are implemented effectively.</p>	<p>It is important to have access to the most recent information and guidance, and to listen to experts on the use of the Pupil Premium grant in order to inform our decision-making and funding allocation.</p> <p>Research conducted by the Wallace Foundation concludes that leadership influences student learning and proves that effective leadership is key in improving standards.</p>	<p>Termly reviews with Pupil Premium governor who is knowledgeable and provides robust challenge for our Pupil Premium strategy.</p> <p>Feedback to governor committee meeting termly.</p> <p>Pupil Premium report in the termly Headteacher's Report to the Governors.</p>	£500	CW TB MH	<p>Regular reviews on progress with HT / DHT.</p> <p>Termly meetings with Pupil Premium governor.</p> <p>Termly reports to the Governing Body.</p>

C and E Ensure that Pupil Premium children are financially able to attend school camps.	Half of the cost of Key Stage 2 camps are funded for Pupil Premium children so that they can access all the opportunities available to them.	<p>We consider children's cultural capital and equality of opportunity to be important aspects of our Pupil Premium provision.</p> <p>Sir John Dunford says that one of the barriers to learning of many disadvantaged pupils is the narrowness of their experience outside school and the lack of opportunities they have to gain experiences that many of their more fortunate peers take for granted; this can be a major barrier to their education and their ambition.</p> <p>Last year this funding enabled all but three of our Pupil Premium pupils in Key Stage 2 to go to camp; the children who decided not to go decided this for reasons other than financial ones.</p>	<p>School office staff hold records to ensure Pupil Premium money is used for this purpose.</p> <p>If Pupil Premium children do not opt to go to camp, office staff and teachers liaise with parents to ensure that the reasons for this are not financial.</p>	£3850	VG AS	Ongoing and May / June annually
C and E Children are able to talk part in the opportunities available to them enabling any financial or aspirational barriers to be removed.	<p>Parents of Pupil Premium children can use £100 of their funding to enable their children to access extra-curricular activities (eg to pay for music lessons, after-school clubs which attract a cost, or to cover the cost of school trips) or in the way that they need it most (eg to help buy school uniform).</p> <p>Some funding is also allocated to enable us to respond to individual need.</p>	<p>We consider children's cultural capital and equality of opportunity to be important aspects of our Pupil Premium provision (see above).</p> <p>We want all children to access all the opportunities available to them and to take part in a wide range of enrichment activities.</p> <p>Last year, all but two of the parents of our Pupil Premium children accessed this funding and the feedback from them was overwhelmingly supportive and recognised that it enabled their children to access activities they couldn't otherwise have afforded.</p> <p>We consider it important to ensure well-being and readiness for school as well as try to help to reduce financial concerns for some families.</p>	<p>School office staff hold records to ensure money is used and reminds parents if this funding has not been taken up. Letters re trips etc include an option to tick to use PP funding.</p>	£6900	VG AS	Ongoing and May / June annually
All To be confirmed.	We have not allocated the remaining funding at present as other priorities may come to light during the year.	In previous years it has been necessary to review Pupil Premium spending and re-allocated some funding; this year we have a small amount not yet allocated as priorities change and emerge across the year.	CW / MH review of priorities	£2000	CW MH	October / December / February / March
<b>Total budgeted cost</b>						£18901

## 6. Review of expenditure – Estimated Impact of Pupil Premium Funding 2017 - 2018

Current Academic Year

2017 – 2018

### i. Quality of teaching for all

Desired outcome	Chosen action / approach	Estimated Impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
A Improve reading comprehension strategies so that end of Key Stage 2 Reading Test results continue to improve and are nearer to those seen in Writing, SPaG and Maths. Ensure that higher-attaining readers at Key Stage 1 continue to make at least expected progress.	<p>Embed whole-class Read with Eric strategies and reading comprehension skills across Key Stage 2.</p> <p>Introduce Novel Study 4x weekly in LKS2.</p> <p>Increased focus on reading comprehension for Year 6 Intervention English Group with further dedicated Novel Study / reading comprehension following scheme written by an experienced English SLE.</p> <p>Key Stage 1 to further develop reading comprehension skills using Read with DERIC approach.</p> <p>Dedicated 1:1 reading for targeted children which is timetabled and monitored closely.</p> <p>Provide additional reading books for each class.</p>	<p>End of Key Stage 2 Reading continues to be above national %.</p> <p>The % achieving the Expected Standard in the end of Key Stage 2 Reading Test is in line with Writing, SPaG and Maths.</p> <p>% of children who achieve a score of 110+ in reading in the end of Key Stage 2 test increases, particularly those who were higher-attaining readers at the end of Key Stage 1.</p> <p>The Average Point Score for Reading increases.</p> <p>Across the school, children continue to make at least expected progress in Reading.</p> <p>ERIC / DERIC strategies continue to be embedded.</p> <p>There is regular, timetabled 1:1 intervention for Reading.</p> <p>Pupils read widely and often across subjects.</p>		£1800
A Increase pupil vocabulary	<p>A combination of direct and indirect instruction.</p> <p>Novel Study</p> <p>Read with ERIC</p> <p>Further actions to be confirmed following whole-staff discussion</p>	<p>Pupils' vocabulary broadens and develops.</p> <p>Pupils are better able to approach the end of Key Stage 2 Reading Test.</p>		None from PP budget

<p>A</p> <p>Improve the quality of teaching and learning through learning walks and book scrutinies.</p>	<p>Learning walks and book scrutinies will be completed to review the quality of teaching being delivered. These may have a particular focus or may focus more generally on teaching and learning.</p> <p>Effective practice to be shared.</p> <p>Under-performance challenged and support provided.</p> <p>Provide opportunities for all teaching staff to undertake focused learning walks within their own team to share effective practice and provide support.</p>	<p>We continue to focus on providing high quality teaching across the school.</p> <p>Good practice is identified and shared; support is provided where needed.</p>		<p>No cost from PP budget</p>
<p>A</p> <p>Ensure progress for all groups of pupils in all phases of a lesson through effective use of additional adults throughout the school.</p>	<p>Extend the role of TAs working with groups at different times in the lesson.</p> <p>Effective use of TAs to be the focus of learning walks by HT; any areas for development will be followed up and appropriate support given where needed.</p> <p>Provide training for teachers and TAs on how to maximise TA impact using EEF materials.</p>	<p>Additional adults are used effectively in all phases of the lesson to move children's learning forwards consistently across all areas of the school.</p> <p>The information contained within the EEF report on Making the Best Use of Teaching Assistants is considered by all staff and advice followed.</p>		<p>No cost from PP budget</p>
<p>A, B, C, E</p> <p>Further engage parental support and better enable parents to support their child with their learning at home.</p>	<p>Ensure that parents are actively engaged with, and able to, support their child's learning at home through holding parent workshops, for example about SPaG, Maths or Phonics, in response to parent requests.</p> <p>Continue to develop the Parent Liaison role to provide support for parents on any aspect affecting their child's learning.</p>	<p>Parents are better equipped to support their children at home as they have an increased knowledge of the curriculum and the skills needed in specific and important areas such as UKS2 SPaG, Phonics and modern methods of calculation.</p> <p>Parents know that there is an approachable and knowledgeable Parent Liaison officer available to discuss any concerns they might have.</p>		<p>No cost from PP budget</p>

## ii. Targeted support

Desired outcome	Chosen action / approach		Estimated Impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
A Enable children to make accelerated progress and attain national standards.	Provide 1:1 or small group teaching support for identified pupils for Maths and SPaG in Year 6 and Writing and Maths in Year 2.	1:1 and small group support will ensure targeted support is provided for identified Year 6 and Year 2 Pupil Premium children.  This will enable them to make progress that is at least in line with other pupils and an increased % to achieve nationally expected standards at the end of each key stage.			£13594
A Accelerate progress and enable children to attain national standards in English at the end of Key Stage 2.	Additional Teacher time to enable small group work in English in Year 6 for identified pupils.	Year 6 children (including those in receipt of Pupil Premium) identified as needing additional support in order to achieve the Expected Standard in Reading and Writing will have benefitted from working in a small group led by an experienced Year 6 teacher.  This group of pupils will have made progress that is at least in line with other pupils and an increased % will have achieved nationally expected standards at the end of the key stage.			£10992
A Learning is accelerated in English and Maths across the key stages for those pupils who require additional support to meet the requirements of age-expected standards and to make expected progress.	1:1 (or small group) interventions delivered by TAs to provide rapid support.	Mainly 1:1 (or small group) intervention for Pupil Premium children is provided to ensure learning is accelerated in English and Maths across the key stages.  Pupils will make at least expected progress relative to their starting points.  Assessments and pupil progress meetings will demonstrate the effectiveness of these interventions.  The number of children working at ARE will increase.			£17441
A Accelerate progress in Reading for targeted children.	The Reading University programme.	Children who complete the programme will have made vastly accelerated progress in their reading age and will have moved through several book bands.  The children's confidence in themselves as readers and learners will have			£1582

<p>A and B Accelerate progress for Pupil Premium children in the EYFS, in relation to their communication needs.</p>	<p>Pupil Premium children are “headlined” on entry and interventions immediately put into place to address specific areas for development, including specialist Speech and Language support.</p>	<p>Children with communication needs are identified on entry to the EYFS.</p> <p>Appropriate and effective interventions are put into place as soon as possible which happen regularly.</p> <p>Accelerated progress will be made, leading to an increased % of children achieving a GLD.</p> <p>If GLD is not achieved, the attainment “gaps” with other children will have narrowed as progress accelerates.</p>		<p>No cost from PP budget</p>
<p>B Children receive specialist support to develop their language and communication skills.</p>	<p>A specialist HLTA provides Speech and Language intervention and additional, focused, targeted support that develops children’s language and communication skills and self-confidence.</p> <p>This support is particularly targeted towards children in the EYFS and into Key Stage 1.</p>	<p>Communication needs are identified and addressed as early as possible in order to provide children with the best opportunities to succeed as early in their school life.</p> <p>Children will be empowered to reach their fullest potential in terms of their speech and language and communication development which in turn will enable them to function and participate more fully in all aspects of daily life.</p>		<p>£5095</p>
<p>C Pupils’ emotional wellbeing is supported by providing social and emotional support for those children who need it, including in the EYFS.</p>	<p>“Nurture” support is provided through 1:1 Thrive support, Pastoral support at lunchtimes and social and emotional interventions in the EYFS.</p> <p>Thrive practitioner 4xpm weekly.</p> <p>Pastoral Support daily in the library at lunchtime.</p> <p>Range of social and emotional programmes in the EYFS including individualised support and Thrive to Five and a Nurture / Social and Emotional intervention group.</p> <p>SATs week support from Year 6 1:1 teachers.</p> <p>Introduce “Champion a Child” to provide additional support for those pupils who really need it.</p>	<p>Dedicated Thrive practitioners will have worked with some of our most vulnerable children; Thrive assessments will show that the impact of this intervention.</p> <p>1:1 and small group support will allow individual issues and concerns to be addressed as well as build self-confidence and readiness to learn.</p> <p>A quiet space will be provided in the Library each lunchtime for children where they can access additional support from a member of the Pastoral Team.</p> <p>There will be a programme of social and emotional support in the EYFS including Thrive to Five which will support some children coming into Reception; 1:1 social and emotional support will also be provided where needed.</p> <p>Champion a Child will be introduced to support some of our pupils.</p>		<p>£6865</p>

<p>C</p> <p>Children's specific learning and emotional needs are identified and addressed to help the child be readied for learning.</p>	<p>Educational Psychologist time is bought in so that targeted support and advice can be given to staff and families of Pupil Premium children.</p> <p>We will also buy into specialist behaviour support for those children in need of this.</p>	<p>Support from the Educational Psychologist and the Behaviour Support worker will enable parents and staff to work together even more effectively to support individual children's specific learning and emotional needs.</p> <p>This additional advice and support for teachers and support staff will enable children to better access the curriculum as pinpointing their specific needs enables these to be addressed so that the child can be readied for learning.</p>		<p>£2240</p>
--	---	---	--	--------------

### iii. Other approaches

Desired outcome	Chosen action / approach	Estimated Impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
D Continue to increase attendance rates to ensure that children in receipt of the Pupil Premium are not disadvantaged through low levels of attendance or punctuality.	<p>To continue to use the rigorous monitoring systems on a monthly basis.</p> <p>HT and Parent Liaison officer to work directly with parents of children whose absence is causing concern.</p> <p>Continue to work closely with the EWO service in tackling PA pupils.</p> <p>Continue to reward good attendance for pupils and keep attendance as high profile.</p>	<p>Overall Attendance reaches 96.2% across the school during 2017-2018.</p> <p>The % attendance for Pupil Premium continues to improve.</p> <p>The percentage of children with Persistent Absence remains below national %.</p> <p>The % of children with &gt;33% broken weeks improves.</p> <p>The % of children with &lt;93% attendance improves.</p> <p>The attendance of pupils who have previously had exceptionally high rates of absence needs to be rising quickly towards the national average.</p> <p>Our systems support those children and their families where attendance is of concern.</p>		£1985
C and D To provide a social start to the day with opportunities for interaction with staff and their peers through a Breakfast Club.	<p>To provide an opportunity for pupils to eat breakfast in school which is free for Pupil Premium pupils who may also attend pre-school clubs at no cost.</p> <p>Where attendance or punctuality is an issue, parents are directly approached and encouraged to use Breakfast Club for their children.</p>	<p>Pupils can benefit from a good breakfast and the opportunity to have a positive, and often active, start to the school day and be ready to learn.</p> <p>Parents who need childcare before school are able can use the Breakfast Club and know that their children are being well-cared for.</p> <p>Attending the Breakfast Club will continue to be a support for some children where attendance and punctuality are an issue.</p>		£3666

All The school makes the best use of the Pupil Premium, ensuring that the children receive the highest quality provision possible from the funding.	Allocate funding to ensure the effectiveness of the leadership of Pupil Premium (both Pupil Premium Lead and Pupil Premium governor) and to ensure that our information is up-to-date and informs best practice.  The Pupil Premium Lead, along with the Headteacher, ensures that an ethos of achievement and expectation is created across the school.  Our strategy and resulting action plan are implemented effectively.	School leaders keep up-to-date with research and good practice and are well-informed when making decisions about Pupil Premium provision and spending.		£500
C and E Ensure that Pupil Premium children are financially able to attend school camps.	Half of the cost of Key Stage 2 camps are funded for Pupil Premium children so that they can access all the opportunities available to them.	Children are able to access all the opportunities available to them and take part in a wide range of enrichment activities and are not prevented from doing so by financial barriers.  Children's experiences are broadened.		£3850
C and E Children are able to take part in the opportunities available to them enabling any financial or aspirational barriers to be removed.	Parents of Pupil Premium children can use £100 of their funding to enable their children to access extra-curricular activities (eg to pay for music lessons, after-school clubs which attract a cost, or to cover the cost of school trips) or in the way that they need it most (eg to help buy school uniform).  Some funding is also allocated to enable us to respond to individual need.	Children are able to take part in all the extra-curricular opportunities that they would like to do and are not prevented from doing so by financial barriers.		£6900
Any To be confirmed We have not allocated the remaining funding at present as other priorities may come to light during the year.	In previous years it has been necessary to review Pupil Premium spending and re-allocated some funding; this year we have a small amount not yet allocated as priorities change and emerge across the year.			£2000
