Mark Validation: Summary of visit

School Name:	Alverton Primary School	Type of School:	Primary school with KS2 of 121 to 499 students
Award:	Gold	Date of visit:	27 th September 2017

Introduction:

The Sport Industry Research Centre at Sheffield Hallam University has been contracted by Sport England to conduct an independent validation on 325 schools covering 225 SGO areas for the 2016/17 period. As part of our validation visits we have been asked to make recommendations regarding improving the Mark criteria for future years and therefore the criteria for this year is again subject to changes based on the feedback we receive and the validations completed. Alverton Primary School provided evidence of meeting or exceeding the required criteria in order to achieve the Gold School Games Mark. The key School Games Mark criteria relating to the Gold award are highlighted below and a green /red score has been made in relation to the evidence seen or discussed with the validation team.

Comments

Alverton Primary School was awarded the Gold Mark award following the validation, with a portfolio of evidence in place to support all areas of the Mark award. The validation highlighted that the school was offering a very strong sports programme across all areas of the award, in particular:

- Engagement of students in extra-curricular activities (144%);
- The 'high performance kids' talent programme in place in the area that the school engages with;
- The number of sport offered at Level 1 (19) and Level 2 (10);
- The promotion of School Games to parents and the wider community through weekly newsletters, the website, Twitter and blogs, and;
- The number of active links with local sports clubs.

The school should be proud of this application and the evidence collated as part of the process.

Well done on your award, and good luck planning and delivering 2017-18.
