

Monday 6th July 2020.

Good morning Kingfishers! It was so lovely seeing you at the Zoom on Friday and your Henri Rousseau inspired artwork was super impressive! Most of you haven't sent me a photo of your finished artwork yet though. Send them in and I'll add them to the gallery below!

This week's learning has an 'At the Seaside' theme. All the sessions for the week are available below. Remember, if the seaside theme doesn't interest you, then you can choose to write about what ever you want by making up your own project. Whatever you're writing about, try to make it interesting/informative for your readers and read it to check you are happy when you've finished!

Reflex Maths

Huge congratulations to Joe who has joined the 100% Fluency club on Reflex. That's amazing Joe. Well done! Your certificate is below! Tyler D and Jack are almost there too and Zachary, Eva, Amelia and Amelie made huge strides in terms of progress last week. Keep going every one. You can do it!
