

Alverton School

The Woodland Nursery

Our Bear Hunt adventures have continued this week even though the weather has been against us for most of it. The children have been baking their own bear paw cookies, mixing, stirring, melting and of course tasting their delicious creations. They have been making their own binoculars and maps and taking them out into the woods to find all the missing bears. We have been focusing on positional language discovering bears all over the place, in dens, behind logs and under boats to name but a few of the secret places they discovered. We have also been making our own musical version of the Bear Hunt story, substituting the words for musical instruments, with a great deal of success. The children have been in the big garden using all their physical skills to go over, under and through the play equipment as well as building their own obstacle courses from the balance beams and other resources they have access to. For the next two weeks we will be focusing on our new story "Stickman".

Special notices

As part of our Stickman topic we will be talking about our own families and making a display of our family tree. Please could you send a photograph in with your child of themselves and their immediate family-many thanks.

We are collecting 1p pieces to use in our new snack area. If you have any you could spare we would be very grateful.

We are also collecting any unwanted silicone bun cases and little jugs if anybody has any to donate.

Well spotted Esme!
Fantastic Bear Hunting....

Dates for your diary...

Friday 6th December-School Xmas fair

Monday 9th December Woodlands Nativity performance 9.15am
