

Alverton School

The Woodland Nursery

We have continued with our Little Red Riding Hood theme this week and have been listening to lots of different versions and seeing if we can spot the similarities and differences between them. We have been making story maps from lots of different resources, making up our own games, retelling the story using props and even having a go at acting it out with other people.

The children have, of course, been following their own interests as well this week. The squirrels are out and about in force and the children have been hunting for them, making them food and leaving trails in the woods. We have also had a number of lovely boat trips (in the garden) where we could get off at lots of different stops, visit the mount and go fishing.

If you need support logging on to your account please see the school office. There's lots of lovely pictures of your children on there already!

Over the next few weeks we will be trialing a new format for parent consultations. You will be invited to attend at a time that is convenient to you and arranged with the class teacher/ Key worker. There will only be a few parents meetings per week so don't panic if you don't immediately get an invite-hopefully the new arrangements will ensure that parents are able to contribute to their children's Learning Journal by planning Next Steps alongside the teacher or key worker.

Let's celebrate-don't forget....

Wednesday 16th October-3.30-5.30pm

Thank you for being so understanding about the new arrangements for pick-ups and drop offs. Please can we remind you to sign your child in and out each time to ensure we have an accurate record of who is in the building should we need one.

We have lots of lovely books in Nursery that we are happy for you to borrow. Please see Mrs Roberts and she will be happy to help your child select a book.
