

March 20th 2020

Dear Parent / Carer,

The Government have now issued the of Key Workers who are eligible to continue to send their children to school during the period of COVID-19 related school closures. The full list is included on the reverse of this letter.

We would ask you to complete the declaration form at the bottom of the page **if** you fall into **all** of these categories :

- A. You are included in the list of Government designated Key Worker occupations listed overleaf.
- B. You would like to apply for your child to attend school at times when you are at work.
- C. You are unable to arrange for your child to be cared for at home.

Please note that in order to minimise the spread of infection the Government Key Worker instructions make it clear that, **“every child who can be safely cared for at home should be.”**

Once we have a clear picture of how many children will be eligible to continue to attend school during the closure period we will provide those eligible parents with more detailed information. Our intention is to open during normal school hours with a breakfast club provision if required. We anticipate that parents will only use this facility during the times that the Key Workers are at work and will collect their children as soon as possible if this is before 3.15pm. We will not be able to operate the after school club.

All TPAT schools will remain closed on Monday 23rd March and Tuesday 24th March for all children, including those of eligible key workers, in order to complete the necessary preparations.

For those of you who do not qualify for the Key Worker provision in school, please remember that your child's class teacher will be providing work for children to access via the school website (www.alverton.eschools.co.uk) and the Home School Learning tab.

Thank you for your continued support at this challenging time,

Yours sincerely

Martin Higgs
Headteacher
