

Key Stage 2 Carol Concert

Please don't forget to come along to our Carol Concert on **Tuesday 17th December** at the Chapel Street Methodist Chapel starting at 6.30pm. Key Stage 2 children will need to arrive, in full school uniform (including ties), between 6.10pm and 6.20pm. Please do not arrive any earlier. Parents of Key Stage 1 and EYFS children are also very welcome to attend and to bring their children along.

In order for us to have our final rehearsal at the church, we would like to ask you please **to arrange for your Key Stage 2 child to arrive at the church on the morning of Tuesday 17th December between 8.45am and 9am.** (If your child attends Breakfast Club on that day, they will be transported to the Chapel from school in the minibus). We will register the children at the church and walk them back to school in time for normal lunchtime arrangements. Please could any children who are playing their instruments bring them to school on Monday and to the church on Tuesday morning. A letter has also been sent home to all KS2 children about arrangements.

Christmas charity collection

Our chosen charities this year for our retiring collections at all our Christmas performances are St Petros and the CTIPA Penzance Foodbank. These local charities help hundreds of people a year who find themselves homeless or who need support. We would be grateful for any amount you could give. Thank you.

Payment of debts

Please could all debts for schools meals, breakfast club, nursery sessions etc. be paid by Thursday at the latest. Thanks to all the parents who pay promptly - it is much appreciated. There are still a number of outstanding debts for swimming, M&M theatre production and other subsidised events held this term. Unfortunately without your support we may not be able to continue with some of these in the future.

Reminder

School finishes for the Christmas holidays next **Friday 20th December at 3.15pm** (normal time). The Spring term starts on Monday 6th January 2020 at 9am.

Online safety

Please see the information below with some excellent advice about Age Ratings. We will be publishing a different information page each week.

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What parents need to know about AGE RATINGS

If you have children, it is understandable to have concerns about the films and TV shows they watch, as well as the games they play. In this guide, we take a look at the two official ways you can assess if a particular title is suitable for your child. Both the BBFC and PEGI have search facilities on their websites that can be used to look up individual titles so you can check their ratings.

RATINGS FOR FILMS, TV & MUSIC VIDEOS

Since 1912, the BBFC (British Board of Film Classification) has informed UK residents of the age suitability of films, TV and music videos - providing parents with the information needed to assess whether or not it is appropriate for their child's age. This applies to cinema releases, DVDs and streaming video services such as Netflix.

WHAT ARE THE BBFC RATINGS?

BBFC ratings are broken down into seven age categories:

Universal, suitable for all ages

Parental Guidance required

Suitable for people aged 12 and over

Suitable for people aged 12 and over; anyone younger must be accompanied by an adult

Suitable for people aged 15 and over

Suitable for people aged 18 and over

Adult content only available in specially licensed cinemas and specialist retailers

WHAT ELSE CAN BBFC REVEAL?

Accompanied with the age suitability rating, BBFC also provide an additional warning regarding the content and what to expect, such as swearing, sexual content, violence and anything you may consider to be inappropriate for your child. In addition to this, the content is also rated in three levels: frequent, mild or strong.

LIMITATIONS OF BBFC RATINGS

It's important to note that there is no obligation on streaming video services to use or display BBFC ratings. Due to this, we advise that you check the rating online before your child streams the content. It may also be a good idea to watch the content first yourself or discuss it with other parents to help you decide whether or not it is suitable for your child.

RATINGS FOR GAMES

PEGI (Pan European Game Information) is a content rating system that ensures all video games are labelled with a minimum age recommendation. These age recommendations are based on the types of content featured within a game. With each game, PEGI also provide a content descriptor that indicates the potential issues and concerns, including sex, violence, bad language and drugs.

WHAT ARE THE PEGI RATINGS?

PEGI ratings are split into age restriction and content descriptors. Additional 'content descriptors' help parents and children to understand the type of content featured within a particular game, including sex, fear, bad language, discrimination, gambling, drugs, violence, and in-game purchases. In combination, the two different ratings can provide a good level of information to help make informed decisions regarding the suitability for your child.

PEGI age ratings are broken down into five categories:

PEGI content descriptors are broken down into eight categories:

LIMITATIONS OF PEGI RATINGS

It's possible for young people to buy games online without a required proof of age, opening them up to age-inappropriate content without you knowing. We advise that you regularly monitor your child's gaming activities and maintain a honest and healthy dialogue with them about the online world.

PARENTAL CONTROLS

It is a good idea to put in place parental controls for all online accounts which your child may use to purchase or download online games e.g. The App Store, Google Play Store, PlayStation Store and Microsoft Xbox Store etc.

Our staff have also given up a lot of their time and energy to help prepare and we are very grateful to them. Particular thanks to Alex Rowe, Heather Weeks, Maili Buckingham, Robert Wright, Zoe Davey, Anna Maddern, Tamsin Woodhead and the FOAS team and all the parent volunteers who organised it so well.

The following businesses gave prizes for the raffle and we thank them so much for their support. Apologies to anyone who has been forgotten from this list:
