

' I am a Cornish poet (former Primary School teacher). To celebrate the re-opening of 'The Edge of the World Bookshop' I am running a Writing Competition for children (Years 3-6 inclusive) on the subject: Hope for the Future.

If you have Junior-age children at home who would like to enter, please send poems or prose (60 lines maximum, up to two entries per child) with the subject title 'Hope for the Future'

Whether it's a poem about climate change or a story about an imaginary future world, I'd love to read them.

Prizes are book tokens to spend at the bookshop: First Prize £20, Second Prize £10, six Third Prizes £5 each.

Please send entries to school and the school will then forward them to me. (Please use the class email for your child to send in your entry.)

Competition closes on 15 July.

Prizes will be sent to winners by 1 August so please write your child's name, age and address on every entry. Thank you for supporting your child's creativity and our local bookshop.

V. Tregenza Reid'
