

Sporting Success at Alverton Primary School!

Sports Clubs

As we near the end of term, we can look back at what all our wonderful pupils have achieved so far. We now have more children than ever attending an after school sports club, including a large number of children who were reluctant to take part in P.E. lessons. We have also entered many teams into a variety of events and competitions such as football, basketball, hockey and Netball. As well as that, our Year 3 and 4 classes have been swimming each week with many pupils achieving the 100m goal. Year 5 have completed their Bikeability training and we all took part in a fantastic Alternative Sports Day which raised money to buy new playground equipment. Many thanks to the parents who have been able to offer lifts or support this term and we look forward to the many more exciting events heading our way soon!

Hockey

The hockey club has once again proven to be extremely popular with lots of children across KS2. The commitment the children have shown has allowed us, once again, to enter 2 teams into the Primary Penwith league. We played our first matches recently, with both teams achieving fantastic results. It was so exciting to see the children playing so well and with an enormous amount of team spirit. Very well done!

High 5s

Our Year 5 and 6 High 5 teams have also begun the season with a flying start! Our A team have won both matches 4-2 and are currently top of their group with the B team winning one and losing one so far. They are two fantastic teams who are improving each week. We are looking forward to playing more matches in a few weeks time. Well done netballers!

Football

So far this term we have played a football tournament at Mounts Bay which qualified us for the ESFA county finals in which we came joint third. We have also begun league games in which we beat Ludgvan 8-0. The girls have also begun their season and are due to play their first tournament today!
