

Welcome to Kingfisher Class! We are really excited that you are joining us next year. Year 2 is going to be hard work but we will have lots of fun along the way too. So you can get to know us we are going to tell you a little bit about us and ask you to do some activities that will help us get to know you too.

In your pack you will find:

- a For My New Teacher booklet
- a Kingfisher colouring to go up in our classroom
- an Kingfisher bookmark to colour and cut out
- a Book Review so we can find out what your favourite book is (we love reading in Kingfisher class!)

Please bring these in with you when you come to class in September.

My name is Mr Dawe and I am the teacher in Kingfisher Class. When I'm on holiday, I love travelling in my camper van and going on long treks through wild mountains. When I'm at home, I enjoy walking the coast path, listening to my record collection (The Beatles are my favourite band as you will find out!) and cooking. I have two grown-up children, one granddaughter and a pet house-rabbit called Bollo!

My name is Mr Keast and I am the teaching assistant in Kingfisher Class. I enjoy taking photographs and making films, as well as making radio shows and reading books. I like to walk my dog through the countryside and have been doing gardening a lot recently! At home I have two cats and they like racing around the place and jumping on things!

We look forward to welcoming you into Kingfisher Class soon!

Mr Dawe & Mr Keast
