

Art/D.T.

We will be exploring printmaking with different methods and materials to explore effects and create our own dragons. In D.T. we will be investigating electrical systems which respond to the environment - we will link this to burglar alarms in galleries.

British Values/P.S.H.E.

We will spend a morning exploring the 4 elements of British Values.
We will be doing the Sex and Relationships Education units for each year group and will also learn all about managing money.

R.E.

We will focus on Christianity focussing on the nature God and the life of Jesus. Our painting will lead us to find out the stories and lives of the patron saints of the four British countries, exploring their links with the wider world.

Science

We will be investigating light - how it travels in straight lines, how objects can be seen and understand different light sources.
We will also be learning about materials - classifying them, understanding that some dissolve and conduct experiments.

Novel Study

Bodripty - Carrie's War
Bosigran - Skellig
Kenidjack - Waiting for Anya

Music

We will be using our painting to inspire some composition based on medical music alongside our skills units on Music Express

Take One Painting.....

George and the Dragon by Paolo Uccello

Final Outcome

Year Six will be performing a play inspired by our painting which will be filmed for parents to watch. We will end our project with a Knights inspired It's a Knockout event

P.E.

We will be outdoors as much as possible focusing on athletics and outdoor games.

Computing

Online safety and a unit about 'My Online Life' teaching how to stay safe and use social media responsibly.

Geography/History

We will be investigating the counties and cities of the UK and focussing on main rivers in the UK and how they have changed the landscape and affected settlements.

We will be learning about the history of knights and chivalry throughout history and investigate the links between Britain and the rest of the world in medieval times. We will revisit key skills and knowledge learned.

Maths

In our maths lessons we will follow the curriculum with a particular focus on mastery through applying and problem solving. Alongside this there will be opportunities for outdoor Maths and practical application.

English

Year Five will begin the term with The Highwayman (a fantastic narrative poem that involves plenty of drama). They will then write a time slip adventure story by stepping into the painting of George and the Dragon. Year Six will be writing a range or genre for their writing folders,
